

# Request third party service

---

## Steps to follow

---

- 1 Enter the customer's card number.
  - 2 Ask the customer for their name and the address where the card is registered to verify that it is theirs.
  - 3 Ask the customer which third-party service he/she wants and select it.
  - 4 Obtain the customer's location.
  - 5 Ask the customer if he/she needs another third party service. If so, repeat the steps 3-4.
